

2020-2021 Sixth Form applications – Tudor Grange Academy, Kingshurst.

Admission to Sixth Form for September 2020

Given the high level of uncertainty and concern, we continue to accept applications for all of our Sixth Form courses that will begin in September 2020. As we are unable to hold on-site interviews at the moment we will be basing offers on applications, telephone interviews and school references, and all offers made to students will be confirmed via email.

We have received a high number of applications and are reviewing these individually in addition to confirming receipt of all new applications via email to reassure that this has been received and is being processed. As a consequence of this, the process may take slightly longer than normal but is planned to predominantly take place during May 2020. Any delay will not affect any applicant's chances of gaining a place with us and we thank you for all of your patience during this time.

Applications can still be made online via the following link where we encourage both current students in addition to students new to the Academy to submit their applications:

- We will do everything we can to ensure that Year 11 students are not disadvantaged by these extraordinary times so that they can progress on to their intended courses.
- We will admit Year 11 students who have applied to the Sixth Form who were on course for admission using centre progress measures and references from nominated staff as a basis.
- If you are applying from another school you will be asked to bring your confirmation of teacher grades and progress log and latest school report as part of the enrolment process.

If you do not meet the entry requirements as outlined in our prospectus we will be happy to provide the necessary careers and education, information, advice and guidance to support your aspirations and next steps.

Specific details regarding the enrolment procedures and start dates will be updated in due course and will be posted online.

I urge you all to continue to take care and follow the government's guidelines (<https://www.gov.uk/coronavirus>) as we progress through this pandemic. If you do have any questions relating to your course or application please contact me at my jbowers@kingshurst.tgacademy.org.uk email address.

Yours sincerely.
