

Dear Parents/Carer,

We hope you are all well and staying safe. We have an exciting opportunity for your child to take part in from home. For those students who are missing their PE lessons, here is a great way for them to put all that energy to good use.

As part of the School Games, we have been invited to enter a virtual school games competition. Students will be competing against all of the schools in North Solihull. The competitions will launch each Monday at 9:45am, starting on the 11th May, on Twitter with entries closing at 1pm on Friday of the same week. Students will have a week to practice, complete the challenges and enter the competitions through a Survey Monkey link. The links will be emailed to students each week. Results will be announced each Friday at 5pm, via the @ThinkActiveCSW Twitter page.

There are prizes and certificates for students to win - Each week the top 3 individuals in both key stage 3 and key stage 4, will win a £5.00 Amazon voucher from the School Games.
