21st October 2021

Tudor Grange Academy Kingshurst is part of the Tudor Grange Academies Trust family of schools and we wish to express thanks and appreciation to the community for their continued support and encouragement. All involved at the school have worked exceedingly hard from students, parents and staff to governors in stabilising the school as we have worked our way through the pressures of a global pandemic. It is this support and spirit, alongside that of the Trust, which now provides the foundation to build even greater success and opportunities for the young people of the community.

To this end, we will seek to establish a permanent Principal for September 2022 to direct and lead our school working closely with the community, governors and the Trust. The senior leadership team have offered a great deal to all at Tudor Grange Academy Kingshurst and we wish to fully support them to make the school outstanding.

As you are already aware, I am an Executive Principal for the Trust but I have been based here full-time undertaking the role of Principal. I will continue to oversee and support the school, but we now wish to appoint a full-time permanent Principal. We will be posting a national advert for a substantive Principal before the half term break.

The advert and interview process will take place in this academic term and conclude at the end of December 2021, and we look forward to introducing the Principal of Tudor Grange Academy Kingshurst in the spring term, with them starting in September 2022.

Thank you once again for your ongoing support and efforts to make sure Tudor Grange Academy Kingshurst remains on a steady path to becoming outstanding provision.

Mr D Turner
Executive Principal
Tudor Grange Academies Trust
