

Dear Parent/Carer

RE: KS3 end of year core exams

Over the coming weeks our KS3 students will be sitting end of year exams in English, maths and science. These exams will be a standardised test in line with the end of year examinations taking place across all schools in the Tudor Grange Trust, the information gathered after assessment and moderation will provide us with knowledge which will support in the planning of curriculum next academic year.

This exam timetable can be found on the reverse of this letter.

Please support your child in these exams by ensuring they are revising and attend the exam with all necessary equipment.

Equipment Needed:

- Black Pen
- Pencil
- Protractor
- Compass (with a pencil that fits)
- Rubber
- Ruler
- Sharpener
- Calculator

If you are missing any of these items you can purchase them from the IC.

Yours faithfully

Emma Ivery

Assistant Vice Principal for Qualifications and Outcomes.
