

CHILDREN'S UNIVERSITY AND EXTRA CURRICULAR CLUBS PRESENTATION

25/10/18

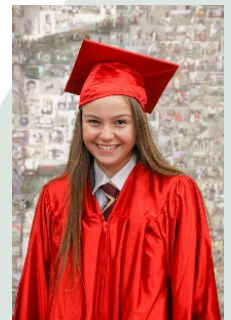

Dear parent/carer,

We place great importance on providing your child with a wide range of free extra-curricular clubs, before, during and after school where they can meet new friends, have fun and learn new skills.

We would like to explain all of the opportunities available to you at an information session in the CTC's main hall on Wednesday 7th November between 5 and 6pm. Here your child will also be given a free Children's University passport that they can take to clubs and get stamps. These hours of participation will lead to certificates and a graduation next summer for your child if they take part in enough clubs. Parents and carers are also invited to the graduation in the Great hall at The University of Birmingham.

The Children's University™ (CU), is an international organisation that provides 7 – 14 year olds with access to exciting and innovative learning activities and experiences outside of the normal school day. These learning activities are being provided by the CTC as well as other organisations and are called 'Learning Destinations'. The Children's University™ aims to raise aspirations, celebrate achievement, boost attainment and foster a love of learning, so that children can make the most of their abilities and interests.

I would be most grateful if your child would return the slip below confirming your attendance so that I can ensure there are enough passports. There will be some after school club providers demonstrating what is on offer. The evening will still be very valuable and will ensure that you and your child realise what opportunities are available to them so that they can take part.

Yours sincerely,

Lee Fletcher
