Which Week?

This Week: Monday 3rd July (Week 2)

Next Week: Monday 10th July (Week 1)

UCAS DISCOVERY

UCAS DISCOVERY EXHIBITION

It was fantastic to spend the day at the UCAS Discovery event with so many of our Year 12 students last week. Well done to those of you who embraced this opportunity and were so proactive in speaking to the wide range of universities, employers and apprenticeship providers. It's been great to see you making use of your freebies while also taking time to digest the huge amounts of information you collected.

To support further with your research into future destinations, there will be dedicated time on Wednesday 5th July for personal statement writing. This will give you the opportunity to draft your initial ideas and gain feedback from the Sixth Form

YEAR 12 SUMMER TERM CHECKLIST

A huge thank you to our careers advisor, Helen Cunningham, for providing a 'Summer Term Checklist' in assembly last week to support students in taking control of their future next steps. This resource has been emailed to all students but for reference see below. For further information, advice and guidance, please contact the careers team to book a bespoke appointment.

- Consider university open days
- \Diamond Register with several apprenticeship websites
- \Diamond Register with job search websites
- \Diamond Sort out your CV
- \Diamond Consider volunteering or engaging in an extra-curricular activity
- \Diamond Draft your UCAS personal statement/ supporting statement
- \Diamond Conduct gap year research
- Maintain a balance of focusing on your goal while being open to different possibilities

Do we need more time? Or do we need to be more disciplined with the time we have?

Punctuality is important!

A reminder that the school day starts at 8:30am. It is essential that all Sixth Form students strive to be punctual every day. If you do arrive late but before 8:50am, you should register with your tutor. If you are late beyond this point, it is imperative that you sign in at student services and clearly outline the reason for being late.

Being late should be a rarity and NOT a habit!

Research indicates that consistent punctuality has a positive impact on academic success as the routine builds consistency and supports productivity.

THIS WEEK: INDUSTRIAL ACTION—The National Education Union (NEU) has announced two additional strike days in schools in England on 5th and 7th July. Year 12 will be accommodated during this time but further information will follow in the form of a letter on the Academy website: https:// www.kingshurst.tgacademy.org.uk/

This week's information from National Online Safety features two pages that outline how to set up Emergency Mode on either a Samsung or iPhone. . Please go to Page 2-3 for more information.

For any feedback, please email: (Yr12) Mr Curran: ccurran@kingshurst.tgacademy.org.uk, (Yr13) Miss Foster: jfoster@kingshurst.tgacademy.org.uk;

How to Set up

on Your Samsung

Emergency mode conserves your Samsung phone's power to extend the battery life for as long as possible. Although other areas of your device may be disabled or run slower (to help save energy in emergency mode), you will still be able to contact an emergency service number, call your emergency contacts and share your location via text messages.

mode for the first time, you will need to agree to the terms and conditions

Alerting Your Emergency Contacts

Your Samsung's SOS feature quickly notifies your specified contacts if you have an emergency. When this feature is enabled, you can press the lock button three times to automatically send an SOS message (including a link to your location) to your emergency contacts. You also have the option to send a photo and/or voice message to your emergency contacts, providing them with more information.

How to turn on SOS messages

Agree to the terms and conditions

Tap 'Done' to save your changes

How to Make an EMERGENCY SOSCALL

Making an Emergency Call j

- Press and hold the side button and one of the volume buttons
- Swipe the Emergency SOS slider to open
- Alternatively, continue holding down the buttons. An alert will sound and a countdown will begin. Keep the buttons pressed until the end of the countdown
- Your iPhone will call the local emergency services
- 5 You can also send an Emergency SOS by quickly pressing the side or top button five times. You'll hear the alert sound, and when the countdown ends you'll be connected to the emergency services

Making an Emergency Call iPhone 7 or earlier

- Press the side or top button five times quickly
- Swipe the Emergency SOS slider
- Your iPhone will call the local emergency services

How to Add
Emergency Contacts

- Open the Health app
 - Tap your profile picture
- 3) Tap 'Medical ID'
- Tap 'Edit' and scroll to 'Emergency Contacts'
- Tap a contact and select their relationship to you
 - Tap 'Done' to save your changes

location changes.

Location Services

-

After you make an emergency call, your iPhone will send your current location to your nominated emergency contacts via text message (you can cancel this option if you wish). This temporarily activates your location services if they were disabled. Your emergency contacts will receive an update if your
