

**18<sup>th</sup> January 2024**

**Dear Parent/Guardian,**

**Pearson BTEC Level 2 Tech Award in Child Development**

As part of the BTEC Tech Award in Child Development, your child will be assessed during Year 10. The assessment counts towards 30% of their final grade. The way in which pupils are assessed is through 'timed controlled' assessments. They are required to complete a set task within a given timeframe, there are 3 in total.

Week beginning Monday 29<sup>th</sup> January pupils will be starting this assessment, from this point onwards until the end of April, pupils will be completing these tasks in class time. Pupils are expected to attend **all** lessons to complete the tasks. This will be monitored, and all pupils are expected to complete these tasks in silence, in exam conditions, failure to follow these rules could result in a failed grade.

I would very much appreciate your support in enabling your child to attend these vital lessons, as deadlines cannot be extended.

**To further support your child we are running Period 6 lessons every Thursday 3:05-4:05pm in room A104 during this period.** It is strongly advised that your child attends.

If you have any questions or would like any advice about how to support your child throughout this time, please don't hesitate to email me on [lgolby@kingshurst.tgacademy.org.uk](mailto:lgolby@kingshurst.tgacademy.org.uk).

**Yours sincerely**

**L Golby**

**Subject Lead for Health and Social Care/ Child Development**
