Podcast recommendation of the week! In Our Time (All subjects!)

How many of you would like to become an 'authority' in a given subjects in less than an hour?

It gives me great pleasure to again, acquaint you with yet another 'legendary' podcast/programme called In Our Time that discusses and explores a wide variety of historical, scientific, cultural, religious and philosophical topics in its archives that go back more than 25 years.

Summer Exam Overview

As the final term of the academic year commences and we move towards the Summer 2024 examinations for both our Year 13, Year 12 and Year 11 students, a number of communications have gone out that we wanted to take

the opportunity to remind both parents, carers and students about these.

A letter was emailed to parents and carers that outlined the details related to the Summer 2024 exam series within the Academy in addition to Joint Council for Qualifications (JCQ) guidance with regard to conduct and the overview of the examinations timetable.

→ THIS LETTER CAN BE ACCESSED THROUGH CLICKING HERE. A more succinct overview of the examinations schedule was also published as an easily downloadable pdf document in addition to a chronological overview published on page 2 of this copy of Inside Kingshurst.

⇒ THIS OVERVIEW CAN BE ACCESSED THROUGH CLICKING HERE.

The Academy would also like to remind students, parents and carers that a bespoke copy of your examination timetable that will outline your specific examinations, date, time and seat within their exam venue will be provided as normal. Please be advised that these specific details could be subject to change.
