

Inside Kingshurst

Feedback From Ofsted: November 2024

Please find the link to a letter from Ofsted, updating you of the outcome from the recent monitoring visit inspection during November 2024.

The purpose of Ofsted's visit was to monitor the school's progress and to highlight improvements made since their last visit in April 2024.

The inspectors recognised the improvements that have been made and concluded that "Leaders have made progress to improve the school". The attributions towards this credits a range of factors including the school having "worked hard to fill the many teaching vacancies", "leaders at all levels [being] focused on their work to secure improvements in the quality of education", "pupils with special educational needs and/or disabilities (SEND) [being] cared for and [having] their needs identified increasingly well" in addition to recognising that "the school's culture is improving" and that "pupils, staff and parents have been positive about the improvements that they have seen taking place".

For full details outlining the progress made towards these areas, please refer to the hyperlinked letter. [CLICK HERE](#)

Thank you to those of you who have already donated! Any donation for the local Kingfisher foodbank can be given in by:

1. **Dropping them off to the Main Reception.**
2. **Sending these in with your child who can then drop these off to the Student Services Office.**

Every donation counts! This will then be delivered to the Foodbank in time for it to have impact with our local community for this Christmas.

The TOP TEN ITEMS most needed include:

1. Cereals;
2. Tinned soups and stews;
3. Pasta, rice and pasta sauce;
4. Tinned meat and fish;
5. Tinned beans and vegetables;
6. Tinned fruit;
7. Condiments and spices;
8. Cooking oil/sprays;
9. Broth and stock;
10. All-natural juice

Will You Make it to the Ball?

We are excited about this year's festive performance extravaganza of Cinderella that has a cast consisting of both staff and students!

The performance takes place on **Tuesday 17th December**, with **doors opening at 5.45pm (show starts at 6pm)**. Tickets are currently **on sale via My Child At School (MCAS)**. We look forward to seeing you there!
