Academic Year	2020/21				
Devices					
Desired outcome	Chosen action / approach	What is the evidence and rationale for the choice	How will you ensure that this is implemented	Review date	Projected cost
Improve the progress of targeted students across the Sixth Form: Small group mentoring to take place in targeted groups during and after the Academy day. This will contribute to student wellbeing and support progress through lines of learning.	To appoint a full-time Learning Mentor to work within the Sixth Form with targeted groups.	Many of the students impacted by COVID have been impacted through lack of IT equipment or access to internet and have been impacted multiple times by isolation. Continuity, confidence and organisational skills have been impacted.	The Associate College Leader for Sixth Form will oversee the checking processes, communications and mentoring sessions implemented by the Learning Mentor who will be responsible for liaising with subject staff where support is required in order to conduct in virtual capacity.	Easter 2021	£21,217
For Sixth Form students in targeted resit maths and English group to improve performance.	Utilise graduate coach to provide additional learning for students in targeted group.	Lockdown and impact of self isolation has affected progress, particularly where students have had to isolate due to critical vulnerability.	The Sixth Form team will work with graduate coaches within Maths and English faculties to deliver small lessons to support bespoke students.	Easter 2021	£48 per week
