Covid: Education, travel and mask rules tightened over Omicron variant

“Face coverings will become mandatory again in shops and on public transport in England from next week as part of measures to target the new coronavirus variant, Omicron, the PM has said. “ (BBC News, 29/11/21).

This includes us an educational setting, where the advice is that masks are to be worn in all communal areas, including the common room, corridors, the restaurant, and the hall. This will be expected of all staff and students from Tuesday but advised from Monday.

A text will have gone out to parents during Sunday evening to inform them of this requirement. Please expect to be reminded of this as you finish lessons and move on to your next period. Masks are not required in classrooms, however, this can be a personal decision for your to wear one if you so choose.

DO choose masks that

Have two or more layers of washable, breathable fabric

Completely cover your nose and mouth

Fit snugly against the sides of your face and don't have gaps

Have a nose wire to prevent air from leaking out of the top of the mask

Snow-fun

Just a
reminder...

**NO snowball
fights or use
of snow!**

Cover Lessons: Your Role

Any absence of your normal teacher will result in another teacher being required to cover your lesson in order to minimize the impact on your learning.

Please ensure that you **attend this lesson** as normal where a **register will be taken**, **work will be set for you**, and you will be required to **work as normal within your timetabled classroom**.

The Speaker With The Orange Tie

On Monday morning this week, we are absolutely delighted to welcome Steve, “the speaker with the orange tie” to us.

This session is for ALL Year 12 and Year 13 students and will be held in the Main Hall where ALL Period 1 lessons will be superseded by Steve’s session and message as a motivational speaker. Your teachers will meet you at the Main Hall.

Given the recent Government advice, you will all be able to socially distance within this area.

Given the continued turbulence in our lives and education as a

result of the pandemic, I defy you to no come away invigorated by Steve’s message!

Massive thanks also to Aim Higher for facilitating this opportunity to us as an Academy.
