

**A warm welcome from the Director of Sixth Form**

**John Bowers**  
Director of Sixth Form

It is with tremendous pride that we welcome you to our Sixth Form Open Evening. We have a heritage of supporting young people within the North Solihull area for over 25 years and are therefore looking forward to utilising this experience in providing the best possible preparation into university, an apprenticeship or employment. I very much hope you are able to speak to a range of our Sixth Form Subject Leaders during the event, each of whom offer an A Level or Level 3 BTEC (equivalent to A Level) qualification.

These staff are extremely knowledgeable regarding their subjects and will be able to provide a detailed overview of their course, Further information and guidance can also be accessed via the Sixth Form Team in the Main Hall, the Sixth Form Prospectus App or the Sixth Form area of the Academy website. I look forward to speaking to many of you during the Presentation in the Drama Studio at 4.10pm or 5.10pm and wish you all the very best for a productive Open Evening!
