## Which Week?

This Week: Monday 7<sup>th</sup> November (Week 2)

Next Week: Monday 14<sup>th</sup> November (Week 1)

Remembrance Day is a time of national reflection as we remember those who have fought and paid the ultimate sacrifice for us in conflicts of the past. The day has grown into an annual day of solemn remembrance for those caught up in some of the most horrendous man-made events in human history.

The day is marked on November 11, whilst Remembrance Sunday falls on the Sunday closest to November 11. In 2022, this is Sunday November 13. Tudor Grange Kingshurst Academy will be commemorating this event this week, when all students and staff will assemble on the 3G pitch to pay its respects to the fallen. The Act of Remembrance is brief and non-religious, making it exceptionally well-suited to personalised commemorations, which the Academy will do.

By the end of the First World War large areas of Belgium and Northern France, where much of the fighting took place, had been reduced to a desolate wasteland. Whole villages and communities had been almost completely wiped from the face of the earth, and there were barely any signs of life. However, through so much of the destruction, grew a sign of hope.

In Flanders, an area of Belgium which saw some of the most brutal fighting, bright red poppies grew from the seemingly uninhabitable ground. From this, the poppy became a sign of hope.

**Common Room:** The Common Room is a great space for all Sixth Form students. Can I please remind you this is a shared space for all students within Sixth Form. We must respect that some students will be using this space to study; hence we are asking students not to play music, have extremely loud conversations where individuals are close to screaming at each other and we must clean up after ourselves. The staff do a great job tidying away chairs and reorganising this space but they should not have to pick up rubbish left on chairs, tables or thrown on the floor. The Yr.13 students will start their Mock examinations this week that will continue into the following week, can we all make sure we are being a little empathetic and understanding of each other.

## Retake Lessons

For those students completing retake Maths or English, you must attend these lessons, even though you have taken resits until you receive your results. If you gain a 4 or higher then you will not have to attend any more lessons.
