Keeping parents informed

Parents' Evenings and Reports

Overview from Senior Leader

Keeping parents informed on how their child is progressing both academically and pastorally at school is vital to providing all round support for your child. Students will receive two reports home over the academic year and at least one Parents' Evening event where you can speak directly to your child's subject teachers. Miss Ivery

Why is this edition important?

It has not been possible to hold face to face parents' evenings due to COVID restrictions and as we continue to hold these events virtually it is important that parents know how to get the most out of these events. We will endeavour to return these events back to face-to-face sessions when it is deemed safe to do so by the Department for Education and Public Health England.

What is the process at TGAK?

Reports – Your child's digital report will be uploaded to Bromcom, you will be informed that this has been uploaded with a message sent to you.

Parents' Evening - Prior to a Parents' Evening a letter will be uploaded to the Academy website with a link sent to you explaining how to book your appointments and how to access your virtual appointments on Microsoft Teams (using your child's login details)

You said, we did

Parents of our Y7 cohort reported that they would like to receive information about how the reporting and parent's evening process within Tudor Grange Academy works, so we feel this 'In Touch' communication should provide an overview of the year ahead.

When it is deemed safe to do so we look forward to welcoming parents back into school for face-to-face Parents' Evenings.

Who are the team in school to support you?

If there are any concerns or questions about your child's report or parents' evening, please contact your child's college admin or form tutor, who will support you with your enquires. Should you need to ask your child's subject teacher a question before a Parents' Evening event, staff email addresses are available on the school's website here:

<https://www.kingshurst.tgacademy.org.uk/remot-learning/staff-contacts/>

Please note that we will endeavour to reply to emails within 48 hours, I staff do not email after 5:00pm and on weekends.
