

Monday 3rd October 2022

Dear families,

As your child now moves into their final GCSE year, it is important to ensure that you, as parents and carers are updated and provided with the information and resources to support your child at home.

During the 'Meet the tutor' evening on Wednesday 12th October 2022, I will be, along with members of the Y11 Bronte team, arranging for all Y11 parents to visit Tudor Grange Academy Kinghurst for a 'Y11 Road to Success' information evening.

We will be delivering a presentation at 5pm in the main hall.

This evening will include the following information on:

- Meeting your child's tutor
- Expectations for the year ahead and an update on key dates for Y11
- The latest assessment grades of your child in a simple, clear summary of each subject at the start of Y11 and where they should be by the end of the course and what these grades mean
- An understanding of your child's progress and attainment
- Support being offered by TGAK
- How you can support your child further at home
- Opportunity to meet with your child's College and the Raising Achievement Team members
- Collection of free revision resources to support English, Maths, Science and other subjects

I fully understand that at times, there can be many demands on your availability. However, I would urge you to attend this evening, as I am certain that by having the academy, parents and students working together, we can ensure your child leaves TGAK with the ability to flourish and thrive in their future endeavours.

I appreciate your support with this and look forward to seeing you soon.

Should you need any further information, please feel free to contact the academy.

Yours sincerely,

Mr Gulfam Shahzad
Senior/College Leader
Tudor Grange Academy Kingshurst
