FOR TUTEEES

Tudor Grange Academy Kingshurst

This week: **Visual Merchandiser**

- You only have to go up to the third floor of D Block or the Media corridor to understand the ability of the students within the Academy and their ability to present this so brilliantly in a visual manner.
- It is little surprise that OUR own students have gone on to university courses in, **Illustration**, **Fine Art** and **Media and Communications** (Public Relations) as a result of studying Art and Design or Creative Digital Media Production.
 - The following video provides a short insight into this area.
 - Could this be you in the future? Do your interests and aspirations link to working in this type of job?
