

Knowledge Organiser:

Year 9 SISS Art and Design

Summer Term: Starting point: Mark making & Creative People

AO2: Experimenting with ideas and materials

Experiment and develop skills using a wide range of materials, techniques and processes. Look at artists work and take influence from their use of materials and formal elements. (AO1 & AO3 combined).

AO1 Develop – explore and analyse artists/cultures

Research artists work, combine examples of their work with written information. **Take influence** and develop own drawings/paintings from the artist's work.

Research & investigation - to look into something.
Discussion - to talk about to share ideas.
Analysis – detailed examination.
Debate- discuss, listen and question others views.
Response – verbal or written answer, reaction.

Develop and **make your own** pieces of artwork inspired by your artist research (AO1), experimentation AO2) & initial recording of theme (AO3).

AO4: Final Piece

It could be one large painting, a drawing, a series of small painting or prints, a mixed media piece.

It should clearly link to all your work.

How do we use Knowledge Organisers in Art.

How can you use knowledge organisers at home to help us?

- **Retrieval Practice:** Read over a section of the knowledge organiser, cover it up and then write down everything you can remember. Repeat until you remember everything.
- **Flash Cards:** Using the Knowledge Organisers to help on one side of a piece of paper write a question, on the other side write an answer. Ask someone to test you by asking a question and seeing if you know the answer.
- **Mind Maps:** Turn the information from the knowledge organiser into a mind map. Then reread the mind map and on a piece of paper half the size try and recreate the key phrases of the mind map from memory.
- **Sketch it:** Draw an image to represent each fact; this can be done in isolation or as part of the mind map/flash card.
- **Teach it:** Teach someone the information on your knowledge organiser, let them ask you questions and see if you know the answers.

How will we use knowledge organisers in Art

- **Visual Support:** To show a WAGOLL, to explain connection of four Assessment Objectives..
- **Literacy Support:** Support on written work, particularly for AO1 with keywords.
