Year 7 Art and Design

Summer Term: Portraiture & Identity - (2D collage or card relief & 3D)

This term you will cover a range of knowledge and skills in some of following areas:

(Teacher will choose your artist/direction of work, below are just examples)

A **portrait** is a visual representation of a person, it can also show something about their personality.

Facial Proportion

Many people make mistakes when drawing faces because they don't fully understand facial proportions.

Proportion refers to **the relationship in size and placement between one object and another.**

How do we use Knowledge Organisers in Art.

How can you use knowledge organisers at home to help us?

- **Retrieval Practice:** Read over a section of the knowledge organiser, cover it up and then write down everything you can remember. Repeat until you remember everything.
- **Flash Cards:** Using the Knowledge Organisers to help on one side of a piece of paper write a question, on the other side write an answer. Ask someone to test you by asking a question and seeing if you know the answer.
- **Mind Maps:** Turn the information from the knowledge organiser into a mind map. Then reread the mind map and on a piece of paper half the size try and recreate the key phrases of the mind map from memory.
- **Sketch it:** Draw an image to represent each fact; this can be done in isolation or as part of the mind map/flash card.
- **Teach it:** Teach someone the information on your knowledge organiser, let them ask you questions and see if you know the answers.

How will we use knowledge organisers in Art

- **Visual Support:** To show a WAGOLL, to explain connection of four Assessment Objectives..
- **Literacy Support:** Support on written work, particularly for AO1 with keywords.
