A warm welcome from the Director of Sixth Form

John Bowers
Director of Sixth Form

It is with tremendous pride that we welcome you to our Sixth Form Open Evening. We have a **heritage** of supporting young people within the North Solihull area for over the last **30 years** and are therefore looking forward to utilising this experience in providing the best possible preparation into university, an apprenticeship or employment. I very much hope you are able to speak to a range of our Sixth Form Subject Leaders during the event, each of whom offer an A Level or Level 3 BTEC (equivalent to A Level) qualification.

These staff are highly experienced within the Sixth Form and their respective subjects and will be able to provide a detailed overview of their course, Further information and guidance can also be accessed via myself and the other Senior Leaders who will be available at the event, the Sixth Form Prospectus App or the Sixth Form area of the Academy website. I look forward to speaking to many of you during the Presentation in the Lead Learner Room at 4.10pm or 5.10pm and wish you all the very best for a productive Open Evening!
