

18th October 2023

Dear Parent/Carers,

Sixth Form Applications for September 2024 Are Open!

As Year 11 begins to gather pace and mock examinations become common place and reflections of what the next step could be, being to form, we would like to take the opportunity to remind you of our Ofsted Good rating in addition to the highly positive destinations of our brilliant Sixth Form students.

Over the course of the last fortnight, the Sixth Form have communicated with your child via an assembly to the whole year group in addition to the Assistant College Leader, Miss Foster providing information, advice and guidance to form tutors in order to discuss these with your child also.

Now that our applications have been launched and gone 'live' for next year, I wanted to make you aware of the excellent information, advice and guidance resources that are published by us in order to assist you in making informed choices as to your child's next steps.

A free prospectus app has been developed for you to download on to your mobile device to see what we have to offer! By **scanning the QR code (above)** or going to the following webpage (<https://guide.touchstay.com/guest/bfuAcxocJpXmf>), you will be able to access and download the app for free.

We hope you enjoy using the app, however the same information can be accessed online via the Academy website if you prefer at <https://www.kingshurst.tgacademy.org.uk/sixth-form/>.

Either route will allow you to explore our vision for Sixth Form, view our A Level or BTEC learning pathways and explore each subject in greater detail in addition to being able to **apply to study with us next year from within the app or the website**.

Were you to have any questions regarding this information or indeed, any other query, please do not hesitate to contact me at jbowers@kingshurst.tgacademy.org.uk, where I will be very happy to provide any help and support that I can.

With very best wishes.

John Bowers
