Re: Y11 and Y13 mock examinations

Dear Parent/carers,

I am writing to you to update you on the upcoming (second) mock exam window. Please see the details regarding the mock exams for Y11 and Y13 students. Your child will be provided with a copy of the mock examination timetable which begins on **Monday 19th February to Tuesday 5th March 2024**. Students have also been provided with a the **JCQ student guidance** and **Information for Students** sheet which summarises expectations and protocol required during these examinations. These documents are also available on the academy (<https://www.kingshurst.tgacademy.org.uk/about/examination-information/>) and JCQ websites and any malpractice will be subject to these regulations. Please ensure you and your child have read these thoroughly before the start of exams.

Even though these are mock exams, we expect students to be fully committed to ensuring they are giving 100% effort to secure the best grades they can.

Morning exams will aim to start at **0845-0900** and afternoon exams will aim to start at **1300-1315**. Please ensure your child is on time to the academy. If your child is late to the academy, please phone to let us know and to ensure that your child is not accessing their mobile phones whilst travelling to the academy. This is to prevent any access to information about the examination.

Period 6 sessions will continue to run as normal to ensure we can support students in preparation for these, and future exams.

Access arrangement support:

Any student who has access arrangement support is expected to utilise this to maximise their grade potential. The school's access arrangement team will work with these students separately to ensure the right support is offered. Students with access arrangements in another room, will be expected to complete exams in those rooms and not in the main exam area.

I am sure you will agree on the importance of these exams so we ask if you could ensure your child arrives on time at the academy, does not miss any exams, and is prepared for them with the right equipment; this should comprise of x2 black pens, x2 pencils, a clear ruler, scientific calculator, highlighter, eraser, and sharpener.

I would like to thank you for your continued support. Please contact the academy if you have any further questions.

Yours sincerely,

Mr. John Bowers
College Leader

On your exam day

This checklist will help you to be as prepared as possible for your exams, so that on the day itself you can focus on doing your best.

Before sitting your exams, ensure you know:

- ☐ the date, time and location of your exams – you might find it helpful to write this information in a calendar or planner
- ☐ who to contact at school or college in case there's an emergency that makes you late or unable to sit your exam

What you cannot take into exams:

- ☐ any type of phone
- ☐ revision notes
- ☐ any type of watch (this includes analogue, digital and smart watches)

What you will need:

- ☐ a clear pencil case
- ☐ at least two black ink pens – blue pens are not acceptable
- ☐ an approved calculator for relevant exams
- ☐ appropriate apparatus such as a ruler or protractor for relevant exams
- ☐ a clear water bottle if you wish to take one in – it must not have a label

Other important information:

- ☐ Listen carefully to the invigilator's instructions which will be specific to your exam. If you are unsure of anything, please raise your hand and wait for the invigilator.
- ☐ Fill in your details on the front of your answer booklet.
- ☐ If you need additional answer sheets, raise your hand and wait for an invigilator who will provide you with one. Remember to add your details to this booklet too.
- ☐ If you need to use the toilet or feel unwell, raise your hand and wait for an invigilator who will escort you from the exam room.
- ☐ Make sure you stay silent – talking to a fellow candidate could result in disqualification from all your exams.

If you have any questions about the format on the day, please ask your teacher or exams officer.
