PSYCHOLOGY

THE RIGHT WAY R

Social influence

Year 10 Spring term

How we behave in groups define who we are as people. You will develop your understanding of social processes such as conformity, obedience & crowd behaviour. Understanding the influence of others allows you to become more robust & resistant to the pressures of others which is vital as you progress to young adulthood.

VOCABULARY: Obedience, Group size, Agency theory, Authority, Deindividuation, Culture, Personality., Ethical issues.
