Find the school – Tudor Grange Academy Kingshurst

Your login in is the same your Microsoft login details, your password is the same you would use to log in to a computer at school.

e.g. year 9 –

22crowleyk@kingshusrt.tgacademy.org.uk

If this is your first time logging into Sparx Maths, you will need to complete the introduction tasks. The videos must be watched and cannot be fast forwarded through, it is important to watch to ensure you understand how the questions are asked and checked.

1. Complete all compulsory tasks.
2. Complete XP boost tasks following completion of compulsory tasks.
3. Complete target work tasks following completion of XP boost tasks.
4. Finally – click on the independent learning section and work through these tasks

Year 9 - Independent Learning Topic: U105,U613,U662, U179

(Review of year 7 and 8 key topics) U735, U947,U548,U742, U945, U343

The screenshot shows the 'Independent Learning' section of a website. At the top, there are two tabs: 'Find topics' (active) and 'My activity'. Below the tabs, there are three input fields: 'Search for topics:', 'Your curriculum:', and 'Default level:'. The 'Search for topics:' field contains the text 'U736'. The 'Your curriculum:' dropdown is set to 'GCSE'. The 'Default level:' dropdown is set to 'Level 1'. Below these fields, it says '1 topic found in GCSE | 0 in other curricula' and a 'Clear search' link. The search results show a topic 'GCSE' with a subtopic 'Number > Fractions and mixed numbers' and a task 'Adding and subtracting fractions - U736'. Below this, there is a section titled 'Adding fractions with the same denominator' with four questions, each with an 'Answer' button. The first question is 'Question 1' and the others are 'Question 2', 'Question 3', and 'Question 4'. There is also an 'Introduce' button with a bar chart icon.
