

LEARNING JOURNEY STEPS

Relationships and the Law/ Religion and Relationships

Year 10, Term 1 & 2

This unit will help to secure your knowledge of healthy vs. unhealthy relationships, and to understand how the way we interact with others in society is governed by British law. It will enable you to be informed on topical issues surrounding relationships and to feel empowered to identify signs something may be wrong and how to seek support for yourselves or others if needed. You will then go on to explore religious and non-religious viewpoints on some of the topics we have explored.
