Money Management

Year 10, Term 3

This unit aims to prepare you for the financial aspects of adulthood. It fulfils the Citizenship requirements of the curriculum by preparing you to take your place in society as responsible citizens, manage your money well and making sound financial decisions.

Be W.I.S.E.R

Be well

I know how to keep myself physically and mentally well.

Be inclusive

I understand the importance of treating others with empathy and respect.

Be safe

I know how to stay safe in relationships; online and in the real world.

Be engaged

I contribute to the wider school life and make the most of opportunities.

Be ready

I know how to be an active citizen and I am prepared for life after school.
